PROFILE

A motivated and detail-oriented front-end developer who has developed responsive, user-friendly interfaces using HTML, CSS, JavaScript, and React.js. Skilled at creating responsive, user-friendly interfaces and adept at applying UI/UX principles to build visually appealing, functional web applications. Proficient in debugging and collaborating in dynamic, fast-paced team environments.

SKILLS

Languages

- **HTML:** Proficient in HTML5, semantic markup.
- **CSS:** Expertise in CSS3, advanced techniques, and Tailwind CSS.
- **JavaScript:** Skilled in ES6+ features, DOM manipulation, and asynchronous programming.
- **SQL:** Experienced in working with MySQL and SQL Server, including query optimization.

Libraries

- **React.js:** Routing with react-router-dom, state management using hooks and context API.
- **Three.js:** Proficient in creating 3D graphics, lighting, and interactive models.

Designing

- **UI/UX Design:** Skilled in wireframing, prototyping, and mockups using Figma and Adobe XD.

Tools

- **GitHub:** Proficient in repository management and version control.
- **Postman:** Familiar with API testing and debugging.

Additional Tools

- **Visual Studio Code:** Expertise in debugging and managing large codebases.

PROJECTS

Website of Incredible India

Technologies: HTML, CSS, JavaScript

Tools: Text Editor

Responsibilities: Designed a dynamic homepage showcasing famous tourist spots, cultural heritage, and festivals. Dynamically fetched and displayed tourist information using APIs.

Bhagalpuri Silk Portal

Technologies: HTML, CSS, JavaScript

Tools: Text Editor

Responsibilities: Implemented a responsive e-commerce platform for Bhagalpuri Silk products. Ensured compatibility with various screen sizes, enhancing user experience by 40%.

College Maintenance System

Technologies: React.js, Tailwind CSS, APIs

Tools: VS Code

Responsibilities: Developed an intuitive interface for admins, staff, and students to manage maintenance tasks. Included real-time notifications and responsive design for usability.
